SEF WELCOMES DR. EZZAT

Recently we were honored by a visit from Dr. Mahmoud Ezzat - a benefactor and friend from UAE and was warmly received.

He has had a chequered career in the Medical Profession. Starting with a six year period with the Egyptian Military working for the Marines & Air Force after passing out in 1966. He was their Pediatrician & Family Doctor. Thereafter he moved to Sanaa in Yemen joining the Kuwait Hospital spending an year with them.

From Sanaa he took an assignment with ADNOC (The Abu Dhabi National Oil Company) and was in their employ for well over two decades. His career peaked joining the Khalifa Hospital (earlier known as Al Jezira) belonging to the wife of the late Ruler Sheikh Zayed Bin Sultan Al Nahyan. He devotes a lot of time for charitable acts which is distinctive feature of his life.

Dr. Ezzat did not fail to share his professional experience when he was joined by 4 Groups made up of Senior A/L Students chosen from SEF special educational projects program and Teachers with whom he had an interesting discourse on the evils of sexually transmitted diseases. Where he highlighted the Sharia prohibition too. It was held for 2 days 22nd & 23rd March. Those taking part were much enlightened and praised him for it. May Allah' blessings be with him.
