SEF Endowment Fund (WAQF) ~ A Brief Introduction ~

Endowment (Waqf) means putting aside the original property and donating its benefits for the sake of Allah. What is meant by the original property is something from which benefit may be derived whilst its essence remains, such as houses, shops, gardens, a sum amount of money etc. What is meant by benefits is beneficial produce that comes from the original property, such as crops, rents, provision of shelter, profit etc. Waqf is an act of worship which is recommended in Islam.

Two Types of Endowment Scheme of SEF

1. Individual Endowment

At the current scholarship pay-out amount, minimum endowment capital amount of SL Rs. 375,000 (US\$ 3,000) is required to award scholarships. This sum will Insha Allah earn a profit from Shariah compliant investments to pay scholarship to students.

Min. Endow. Amount	Profit Rate	Monthly Return
Rs. 375,000 US\$ 3,000	8% p.a.	Rs. 2,500 US\$ 20

2. Collective Endowment

Any gift multiples of Rs. 10,000 (= US\$ 80) will be put into general endowment pool and the income generated will be used to provide scholarships.
