## About Us

The Serendib Educational Foundation (SEF) is a voluntary organization active in Sri Lanka since 1991. This was originally founded by a group of Sri Lankan Muslim well wishers employed abroad in their desire to serve the community by assisting the needy and talented students to help themselves to bring about sustainable development both within the community and the country.

The primary objective of this organization is to provide assistance to the students who are capable of pursuing their studies but unable to do so due to financial constraints.

SEF has been approved by the Government of Sri Lanka and incorporated in the parliament act. This has been published as a supplement to part II of the Gazette of the Democratic Socialist Republic of Sri Lanka of October 02, 2009. Click [here](#) to view the publication.
